The following comparison tools may make it easier to decide which education and training benefits are best for you:

- Compare VA education benefit programs
- Review **current payment rates** for the following VA education and training programs:

Rate of Pursuit and the Housing Allowance

Rate of pursuit (RoP) = Chapter 33

Training time = all other Chapters

VA calculates rate of pursuit by dividing the number of credit (or credit hour equivalents) being pursued by the number of credit considered to be full-time by the school. The resulting percentage is the student's rate of pursuit.

Examples: If full-time is 12 credits, then rate of pursuit for:

- 6 credits (or credit equivalents) is 50% ($6 \div 12 = 50\%$)
- 7 credits (or credit equivalents) is 58% ($7 \div 12 = 58\%$)

Monthly housing allowance if RoP is more than 50%

The applicable Basic Allowance for Housing rate is multiplied by the rate of pursuit rounded to the nearest multiple of 10.
